

(e) Captions and decisions

unweighted: correct; LRF: correct

True: A round intersection on a surburban street with one floor homes.

Wrong: A kitchen has an island, icebox, and sink in it.

$\sum \Delta_j = +358.3$; $\sum w_j \Delta_j = +3.37$

COCO val2017 image 335177, fold index 0

unweighted: wrong; LRF: correct

True: A small airplane sitting next to an airport runway.

Wrong: A white sheep standing on top of a dirt road.

$\sum \Delta_j = -215.9$; $\sum w_j \Delta_j = +0.30$

COCO val2017 image 520324, fold index 1

unweighted: correct; LRF: wrong

True: A woman is leaving a building in a city.

Wrong: A stop sign is shown among foliage and grass.

$\sum \Delta_j = +19.3$; $\sum w_j \Delta_j = -0.67$

COCO val2017 image 224724, fold index 8

Colour bars are shared by the rows. $\Delta_j > 0$ favours the true caption, $\Delta_j < 0$ the wrong one. Δ_j is clipped at ± 1.9 (99th percentile of $|\Delta_j|$ over the three maps). Weights: square-root scale. Maps are the 32×32 token grid, not overlaid on the images.
